A similar side letter agreement was signed for the Police Department seven months ago. SUBJECT: Election of 2025 Officers

Recommendation

It is recommended that the Board approve the slate of officers for 2025 as presented by the Nominating Committee:

President: Annie Chang Long Vice President: Kenneth Gross Secretary: Edward Pearson

Background

Per Article II, Section I of the Library Board of Trustees Bylaws, the officers of the Board shall be a President, Vice President, and Secretary to be chosen by the Board at the January meeting.

Per Section 6, the President of the Library Board shall serve no more than two consecutive one-year terms. After a year this member could be elected and serve two more consecutive one-year terms.

The Bylaws state that a nominating committee of two shall be appointed by the President two months prior to the January meeting which will present a proposed slate of officers at that meeting. Library Board of Trustees Agenda Report

ITEM NO. 8

DATE: February 13, 2025

FROM: Cathy Billings, Library Director

SUBJECT: Volunteer Recognition Committee Discussion

Recommendation

It is recommended that the Trustees receive a report from Committee members Annie Chang Long and Minsun Meeker regarding the results of a survey taken by volunteers, and:

- 1. Discuss the results;
- 2. Select a date for a volunteer appreciation event in April; and
- 3. Consider the Committee's recommendations for the event, and other possible recognition efforts.

Analysis

The data included in this report (below) represents 8 responses. The survey is still open and Library Director Billings sent another request for participation to volunteers on behalf of staff and the Committee, so additional responses may be received.

Of the respondents, the majority would come to a volunteer appreciation event; are open to an event on a weeknight early evening or weekend afternoon; and would appreciate recognition in the local paper and small token gifts.

For the event, the Committee suggests the Trustees consider a weeknight event in April with charcuterie boards, wine, and a jazz ensemble, possibly from the High School, and a small gift to be given to volunteers.

A story in the local paper, including a list of the volunteers' names, could also be considered.

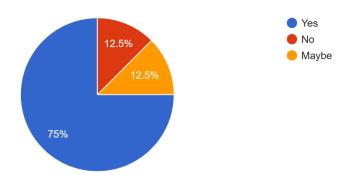

The American Library Association's National Library Week is Sunday, April 6, 2025, through Saturday, April 12, 2025. Traditionally, the City Council has recognized South Pasadena Public Library volunteers with a proclamation in proximity to National Library Week. The City Council's regular meeting on April 2, 2025, has been cancelled, so the only regular meeting in April is on the 16th.

Survey Results

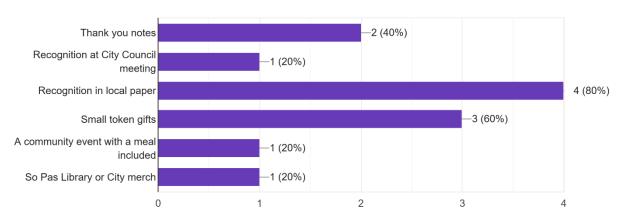

If the South Pasadena Library held a volunteer appreciation event in April 2025, would you be interested in attending?

8 responses

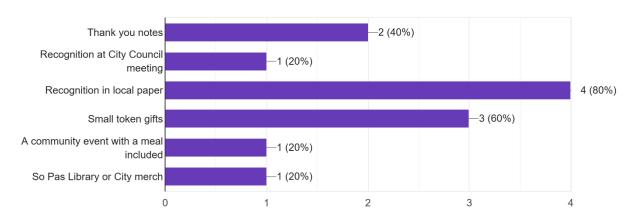

We are thinking of various ways to show appreciation to our library volunteers. What other forms of volunteer appreciation and/or recognition would you like?

Library Board of Trustees Agenda Report

ITEM NO. 10

DATE: February 13, 2025

FROM: Cathy Billings, Library Director

SUBJECT: Library/Community Center Site Plan Project Discussion and

Selection of a Trustee to serve as Liaison to the Ad Hoc Committee

Recommendation

It is recommended that staff provide an update for discussion on the Site Planning Project and Ad Hoc Committee activity, and that Trustees select the Board member they recommend the City Council appoint to the Committee to fill the vacant position designated to be filled by a Trustee.

Background

The Ad Hoc Site Plan Committee has met five times since August 2024. Committee members are enthusiastic about the project and generous in sharing their knowledge and expertise.

The first Project Management Team (PMT) meeting took place on January 23 and the second is scheduled for February 12. The PMT is comprised of City staff and the consulting team from Group 4. The Library Director and Community Services Director are the primary members of the PMT for the City, but each will have another staff member attending meetings and serving as a backup. The first meeting agenda included member introductions, roles and responsibilities, project goals, refining the work plan and schedule, and setting dates for future meetings. Feedback received at the Ad Hoc Committee meeting about the work plan and schedule will be the primary topic of the PMT meeting on February 12.

The Ad Hoc Committee has worked on compiling a list of organizations, entities, groups, etc. that should be included in outreach about the Site Planning project. They have also generated and shared ideas for standard language to describe the project. They will be helping to raise awareness in the community about the Project and encouraging people to engage in it by taking the survey and attending events held by Group 4.

Staff have provided Group 4 with the information requested as part of their Information Gathering task, which included a wide variety of documents and information, including operational statistics (programs, attendance, etc.), staffing levels (current and projected), building floor plans and drawings, site tree survey, Cultural Heritage Landmark applications, and technical information about the site, e.g. utilities maps.

Changes were made to the composition of the Ad Hoc Committee by the City Council when they voted on January 15, 2025, to create a ninth At-Large position, which they

appointed former Trustee Bianca Richards to fill. The City Council appointed Mayor Pro Tem Sheila Rossi to the position vacated by former Councilmember Evelyn Zneimer. New Library Trustee Dean Serwin remains an At-Large member of the Ad Hoc Committee.

Staff will recommend to the City Council that the Trustee selected to represent the Board on the Ad Hoc Committee be appointed. Provided the Board makes a selection at the February 13th Trustee meeting, the recommendation will most likely be on the March 5th City Council meeting agenda.

The Ad Hoc Committee regularly meets on the first Thursday of every month at 7:00 p.m., however due to the project work plan and schedule there may be special meetings scheduled in place of, or in addition to, regular meetings.

Library Board of Trustees Agenda Report

ITEM NO. 11

DATE: February 13, 2025

FROM: Cathy Billings, Library Director

SUBJECT: Request to Open the Library at 1:00 p.m. on a yet to be determined

date in February or March to allow Library staff to participate in a

meeting with the Site Plan Project consultant

Recommendation

It is recommended that the Library Board of Trustees approve a request to open the Library at 1:00 p.m. instead of 10:00 a.m. on a yet to be determined date in the month of February or March to allow all staff to participate in a meeting with the Library/Community Center Site Plan Project Consultant.

Background

The scope of work included in the professional services agreement with Group 4, the Site Plan Project consultant, includes engagement meetings with various project stakeholders, including the staff of the Community Services and Library departments.

The Library is open to the public 58 hours a week, and there are only 7 hours a week (one each day) for staff to work without the public in the building, and those hours are taken up with preparing the Library to open (and many other tasks that can only take place when the building is closed to the public). The only way for all staff to take part in meaningful meetings, trainings, team building or professional development, is for the library to be closed to the public. Periodically staff request the Trustees approve library closures to allow these activities to take place. It is critical that all staff have the opportunity to participate in the needs assessment phase of the Site Planning Project.

The initial date planned for the staff engagement was Thursday, February 27th, however due to feedback from the Ad Hoc Committee the work plan and project schedule are being revisited. This is the reason that staff is asking the Trustees to approve a late opening on a date yet to be determined.
