[1] YTW was used in place of YTM for conservative approach to looking at the performance of the bonds. YTW considers the possibility to call the bonds if a call option is available, whereby the City's Investors may choose to call a bond to seek for better investments or to redeem the bond at ideal market conditions.

Statement Disclosures & Other Important Information

Please review your statement promptly and report any discrepancies immediately to your account administrator listed on the first page.

Market value information (including accrued income) furnished herein has been obtained from sources that Zions Bancorporation, N.A. believes to be reliable. Zions Bancorporation, N.A. makes no representation, warranty or guarantee, express or implied, that any quoted value necessarily reflects the proceeds that may be received on the sale of a security or asset. Securities and asset prices may vary from actual liquidation value and should only be used as general guide to portfolio value. Prices are received from various pricing services. However, pricing services are sometimes unable to provide timely information. Where pricing sources are not readily available, particularly on certain debt securities, estimated prices may be generated by a matrix system taking various factors into consideration.

Securities, including mutual funds, are not bank deposits and are not FDIC insured, nor are they obligations of or guaranteed by Zions Bancorporation, N.A., its affiliates or of any federal or state government or government sponsored agency. Securities, including mutual funds, involve investment risks, including the possible loss of the principal amount invested.
