ITEM 2: SB1383 Implementation Update & Athens Demonstration

SB1383 Implementation Update Transition to a 3-Stream System

July 22, 2025

South Pasadena Public Works

Background

- Senate Bill 1383 requires jurisdictions to provide organics collection services to all residents and businesses.
- A new agreement went into effect with a special rate adjustment for all customers on January 1, 2025.
- Athens and a City Athens Negotiations Working Group conducted additional negotiations to address the high diversion requirements of SB 1383.
- Focus: provide additional services and comply with SB 1383 with minimal immediate financial impact to ratepayers.
- In May 2025, City Council approved an amendment to the waste agreement which adds a third waste stream without any rate increases.
- In July 2025, conducted successful Prop 218 hearing, officially approving the new agreement and launching the transition to a 3-stream collection system.

Amended Agreement

City Council approved an amendment with the following terms:

- ✓ Add recycling/blue collection service (third waste stream) for all customers.
- ✓ Freeze all rates at the January 1, 2025 rate schedule for all customers until July 1, 2027.
- ✓ Modify the annual rate adjustment formula from using CPI to using Trash CPI plus 1%.
- ✓ Extend the current seven-year rolling term to a ten-year rolling term.
- ✓ The City will agree to not issue a Notice of Intent to Wind Down for five years.
- ✓ Modifies the City's Bulky Item Pick-up Services

New Curbside Bulky Item Pick-Up Program

New Bulky Item Curbside Service

All residents can now have their bulky items collected curbside up to four times per year at no charge!

FREE

Visit AthensServices.com/Bulky
or call (888) 336-6100 to schedule

Single-family residents (including senior citizens)

- Receive one curbside bulky item pick-up per calendar quarter (up to four times per year)
- Maximum of five items per pick-up
- *Call Athens Customer Service to schedule service*

Multifamily units

- Receive one curbside bulky item pick-up per calendar quarter (up to four times per year)
- Maximum of five items per pick-up
- *Tenants must coordinate with their property owner or HOA to schedule service*

- ✓ **Replaces Senior Citizen Weeks and Dumpster Days**
- ✓ **Addresses issues with event locations, accessibility, and safety**

New Curbside Bulky Item Pick-Up Program

WHAT'S ACCEPTED

Including but not limited to:

Furniture

Chairs, sofas, mattresses, rugs

Appliances

Refrigerators, washers, dryers, water heaters, plumbing, small household appliances

Green waste

Yard trimmings, bundled wood (max, 1 cubic yard)

Clothing

NOT ACCEPTED

These items will not be collected:

Car bodies

Tires

Construction debris

Electronic waste

Computers, televisions, etc.

Hazardous materials

fluorescent bulbs, batteries, etc.

Other items not specifically included or excluded above will be collected provided that they are no more than eight (8) feet in length, four (4) feet in width, or more than one hundred and fifty (150) pounds.

Athens Services

HOW TO SCHEDULE

1

Visit **AthensServices.com/Bulky** or call **(888) 336-6100**

2

Please submit request at least 24 hours in advance

3

Place items at your curb by 6:00 a.m. on scheduled pick-up day

3-Stream Implementation - Containers

Residential

- Up to 7 barrels per customer (minimum 1 black, 1 blue, 1 green)
- 29,986 (32-gallon) barrels to be deployed
- Recycle existing containers

Multi-Family/Commercial

- Default Service: one 96-gallon recycle cart, serviced once per week

All containers will have standard labeling indicating what is and is not acceptable in the container.

3-Stream Implementation - Outreach

1. Waste Assessments for Commercial and Multifamily Properties – in progress

- Recycling Coordinators will conduct in-person, door-to-door waste assessments for commercial and multifamily accounts followed by phone/email correspondence.
- Signage/flyers with information on the new three-stream collection system.
- Athens will offer training for employees at commercial properties and assist in applying for an organics waiver if eligible.
- Multifamily properties will receive a guide with email/signage templates for tenants describing the changes in waste collection.
- City staff working on procuring kitchen compost pails for multifamily properties

FOOD & COMPOSTABLES ONLY
ORGANICOS Y DESPERDICIO DE COMIDA SOLAMENTE

Updated February 2025. For a complete list, visit Athens' What Goes Where Guide at CanIRecycleMy.com.

2. Letters to Residential and Commercial Customers – late July

- Explain the transition to a three-stream system, what to expect with new containers, and information on the new curbside bulky item program.

3. Postcards to Manual Barrel Service Customers - mid-August to late-September

- Mailed postcard will include information on the arrival of their new barrels and disposal of their old barrels.
- Customers will have the opportunity during this time to select their custom combination of barrels (minimum one barrel of each color, up to seven total barrels).

4. Billing Inserts, Webpages, Social Media, Print Media, Community Events, Presentations

3-Stream Implementation - Deployment

Deployment of New Containers:

Commercial, Multifamily, and City Facilities: September 2025

Manual Barrel Service (single-family homes): November 2025

- Deployment will take 4-6 weeks to complete
- Will have opportunity to dispose old containers (optional)

 Athens Services

A horizontal row of eight distinct objects: a bouquet of colorful flowers, a single orange maple leaf, a core of an eaten apple, a whole yellow banana, a white paper cup filled with dark coffee grounds, a triangular slice of pepperoni pizza, a broken brown eggshell, and a wedge of yellow cheese.

RECYCLING

Where Does It Go?

RECYCLING

**EMPTY
WITHOUT
LIQUID OR
FOOD**

**No food waste or yard trimmings, liquids, hazardous waste, packaging peanuts, pet waste, or trash.*

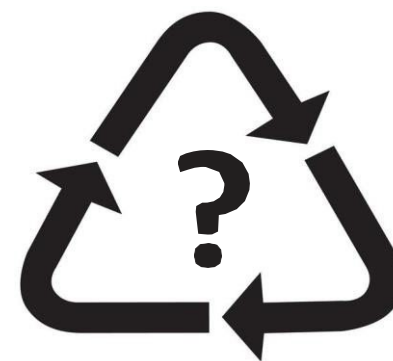

Recycling Contamination

- ⚠ **Mixed packaging types** (see below)
- ⚠ Food residue
- ⚠ Stuffed or “crimped” material

Recycling Tips

-  Recycle symbol does not mean “recyclable”
-  Recyclable does not = recycled
 - Best: #1 bottles & thermoform containers, #2, & #5
 - Best: Clear, white, or light in color (not dark)
-  4 Inch Minus Rule (i.e. straws, lids, utensils)

Saturday, August 23 • 9 A.M. - 3 P.M.
Los Angeles County Public Works
Headquarters
900 South Fremont Avenue
Alhambra, CA 91803

CHEMICALS

- ♦ Carefully secure items in your trunk/pick-up bed. Hazardous waste must be in your trunk/pick-up bed with no other items.

PAINTS & SOLVENTS

- ♦ Waste should be in a sturdy box, preferably in their original containers. Be prepared to leave containers.
- ♦ No explosives, ammunition, radioactive materials, controlled substances, trash, tires, or large appliances (like refrigerators, stoves and washing machines).

SHARPS

- ♦ Sharps disposal will require exiting your vehicle in a designated location to deposit them in a bin.

E-WASTE

- ♦ Open to Los Angeles County residents. No business waste accepted.
- ♦ Limit of 15 gallons or 125 pounds of hazardous waste per trip.

ITEM 3: Approval of Proposed FY 25-26 Water Conservation
Program

Proposed Water Conservation Program Fiscal Year 2025-2026

July 22, 2025

Natural Resources & Environmental Commission

Danielle Garcia

Water Conservation Management Analyst

Water Conservation Program Overview

- Annual program includes:
 - 1) Metropolitan Water District (MWD) Additional Rebate Funding
 - 2) City Rebate Program
 - 3) Water-Use Assessments
 - 4) Water Conservation Promotion
- Funded through **Water Efficiency Fee** = \$0.14 per unit of water billed to all water customers
- Continued watering restrictions

Metropolitan Water District Rebates

- MWD offers water conservation rebates through their SoCalWater\$mart Program
- The City adds supplemental funds to these rebates
 - Example: Premium High Efficiency Toilets (1.1gpf)
 - \$ 40 ← MWD rebate
 - \$260 ← City supplemental funds
 - \$300 ← Potential rebate amount for South Pasadena residents/businesses
- Apply for MWD rebates directly through the SoCalWater\$mart website: www.socalwatersmart.com

Metropolitan Water District Rebates

FY 24-25 (July '24–June '25)

Rebate	Sector	MWD Incentive	City's Incentive	Total Customer Incentive	Quantity of Approved Applications	Total City Co-fund

WATER CAN RUN BUT IT CAN'T HIDE
Water runoff occurs when rainwater or irrigation flows over impermeable surfaces like driveways and sidewalks instead of being absorbed by the ground.

WAYS TO REDUCE WATER RUNOFF

- Plant More Vegetation
- Install Rain Barrels
- Create Rain Gardens
- Use Mulch
- Fix Leaky Irrigation
- Rock Garden Swales
