The City of South Pasadena is excited to share with you the results of a multi-year community-based process to update the City's General Plan and establish a Specific Plan for the Downtown area.

The vision articulated in these plans will preserve the distinct and treasured characteristics of the City while creating a more prosperous, sustainable and enriching South Pasadena for the future.

The City of South Pasadena invites you to attend one of three upcoming meetings to learn about the contents of the plans, ask questions and continue working together to shape our community.
