

Clean Renewable Energy at Competitive Rates

Clean Power Alliance is the locally operated, electricity provider for 32 communities across Los Angeles and Ventura counties, including unincorporated Los Angeles and Ventura Counties and the cities of: Agoura Hills, Alhambra, Arcadia, Beverly Hills, Calabasas, Camarillo, Claremont, Carson, Culver City, Downey, Hawaiian Gardens, Hawthorne, Malibu, Manhattan Beach, Moorpark, Ojai, Oxnard, Paramount, Redondo Beach, Rolling Hills Estates, Santa Monica, Sierra Madre, Simi Valley, South Pasadena, Temple City, Thousand Oaks, Ventura, West Hollywood, Westlake Village & Whittier.

How does it work?

Clean Power Alliance will purchase clean power, and Southern California Edison (SCE) will deliver it through its existing utility lines. Nothing else changes—SCE will continue to deliver power to your home or business, send just one bill, and be responsible for resolving any electricity service issues. CPA offers 3 different rate options, which can be adjusted at any time: 36% Lean Power, 50% Clean Power, and 100% Green Power.
