ADDENDUM NO. 2

**ENGINEERING DESIGN, CONSTRUCTION DOCUMENTS AND SPECIFICATIONS
FOR RECTANGULAR RAPID FLASHING BEACONS**

Federal-Aid Project – HSIPL – 5017(019)

Response to Requests for Information:

Q1. On page three of the RFP it's indicated that the design consultant is to complete the 10-O1 and 10-O2 forms and that HSIP funds will be used on the project. Are these construction phase only funds or will they be applied to the PS&E phase as well?

A1. HSIP funds will be applied to the PS&E as well.

Q2. What is the estimated cost of the project itself?

A2. We will get a detailed estimate as part of the design.

Q3. Do you require union to all of your projects or contracts?

A3. When the design is completed and the project is advertised for construction, it will be a prevailing wage project.

Tatevik Barakazyan, Civil Engineering Assistant
